Termination of Oswal Joint Venture

Perth based diversified energy exploration company, Westralian Gas and Power Ltd (“WGP”) advises that the relationship between it and Oswal Resources Pty Ltd (“Oswal”) documented in a title transfer and share sale and purchase agreement and a Joint Venture shareholders’ agreement has ended.

On 16 September 2009 WGP put a proposal to Oswal as to how best to dismantle the relationship. Oswal has today advised WGP that it is not in a position to respond to that proposal until early next week at the earliest. WGP will report further on this matter as and when relevant developments arise.
